Since 2002, the Manitoba government has led a provincial elder abuse strategy focused on elder abuse prevention. **Results below highlight work from April 1, 2021 - March 31, 2022.**

408

calls were made to the **Seniors Abuse Support Line**.

Manitoba's provincial **Seniors Abuse Support Line** is answered by trained counsellors who provide information and referrals to help.

1-888-896-7183

is celebrated annually on **June 15**. Visit weaadmanitoba.ca to learn more about events across Manitoba.

288

clients received **elder abuse counselling** from A & O: Support Services for Older Adults.

40+

organizations work in **partnership** to prevent abuse of older adults in Manitoba.

3

new clients were placed in Safe Suite accommodations through **A & O: Support Services for Older Adults**.

48

clients were assisted to leave abusive relationships.
